J&B Pest Controller

Dear Matt,

May this letter serve to congratulate and thank you, for the very professional manner in which your team carried out tree removal and pruning once again, at my residence.

The first time in cutting down the huge gum tree growing between the power line of the street and house that had died. Apart from my amazement at the skill of your craft, my neighbours on return from their business of that day, could not see signs of your team having been present, apart from the missing dead tree.

The neighbours have been so impressed with you work and the manner in which you discuss your quotes they didn't hesitate in accepting your quote for the pruning of their trees.

Your quotes have been very competitive.

J & B Pest control, each time when asked for any name re problem trees, without hesitation, have recommend 'Matt The Tree Fella' and the feed back has always been 'thank you, Matt is the best'

With this go my highest recommendations in every regard.

Sincerely,

H. S Nehrybecki
Office Manager-Co ordinator

Dear Matt,

Just a short note of big thanks to you for quickly attending and removing that broken tree branch at our property and for your attending generosity in doing so.

At the start of that particular day I had a problem which didn't seem quickly solvable nonetheless between Ian Ferguson and you that problem was solved both quickly and efficiently. It was both a relief and an encouragement.

Thanks again Matt,
